

SOLERO® PATIO PRO

Are you looking for a great quality design parasol for an affordable price? The Solero Patio parasol **300x300 cm** is the best choice around, showing that a sleek design can be very attractive.

This design parasol has a solid frame with a powder coated pole that has a 50mm diameter. Of course you can choose from a wide range of trendy fade-resistant cloth colors.

A WELCOME GUEST

This square parasol is handled just as easy as our other models. The Patio forms a perfect protection from the sun for the hospitality industry. No doubt about it, this is a true eye-catcher, especially when combined with the Solero Accento clickon lighting.

COLOURFAST O'BRAVIA CLOTH

The special Solero O'Bravia parasol canvas is made of durable, heavy quality and is also colorfast. Blue remains a deep blue and doesn't fade after two seasons. The parasol canvas keeps its tension through the tensioners in the ribs. The Patio is delivered with a free protective cover and can be placed with a pedestal or a ground anchor.

HOIST THE SAILS

A classic, this Patio. This shade maker opens and closes by means of sturdy cord and two high-quality pulleys, as you are used to from a parasol. You can store the cord on the designated hook on the mast. Simple as that.
